Konrad-Adenauer-Str. 43 50996, Köln · +49 152 03169843
c.w.hallman6@gmail.com · <https://clayhallman6.github.io/>

I am an innovative, self-motivated team player that thrives in challenging, fast-paced environments. I have gained professional experience working in multiple countries with a diverse range of company and colleague cultures. My objective is to create an impact and establish long-lasting connections in the field of Data Science in an industry that aligns with my passions.
